**80%**

of American women don’t understand their own skincare needs, according to a national study. So how’s a girl supposed to put her best face forward? The first step is to go to [www.prescribedsolutions.com](http://www.prescribedsolutions.com) for an expertly customized skincare regime that’ll change the way you look in the mirror forever.

**RESORT RESURRECTION**

Forget the bathing suits, smart cover-ups and simple cocktail dresses that have epitomized the Resort Collections of seasons past. Here are our top picks for Resort 2006: **Balenciaga** presented some multi-layered, ruffled print dresses, ideal for cocktail hour and holiday celebrations. **Carolina Herrera**’s collection featured feminine party frocks and full-skirted gowns with lots of ribbon detailing. Inspired by holiday glam, **Karl**

**Lagerfeld** designed burnished-sequin vests and spotlight-bound silk dresses for **Chanel**. **Chloe** showcased lace tops, ruffled dresses and gorgeous capes. **Lanvin**’s collection has all the glamor of his fall/winter clothes but with a more casual attitude. While **Donna Karan** chose to go with a rich palette, bold ethnic prints, and wrapped dresses. On the lighter side, **Louis Vuitton** opted for cream, silver, and gold pieces evoking a ‘60s-era vibe.

**THUMBS UP AND DOWN**

Attention all PDA: there’s relief on t for that aggravated soreness you’ve experiencing from excessive thumb you’ve being put your Blackberrys Palm Pilots and !
